Re: Support of Casino Legislation

Dear Legislator,

Thank you for your work on behalf of the state of Indiana. As a citizen in West Central Indiana, I follow the work of the Indiana General Assembly and see the tough decisions you have to make every session.

As sheriff of Vigo County, I want to express my strong support for legislation which advances the development of a casino in Vigo County.

The economic development and tax revenues that gaming has brought other communities in Indiana would benefit the citizens of West Central Indiana. It will draw visitors from outside of our region, giving us the ability to grow, thrive and compete.

I pledge to work with area law enforcement agencies to ensure a safe environment for all that would visit a casino in Vigo County.

I encourage the Indiana General Assembly and Governor Eric Holcomb to consider proposals with the knowledge that it has my strong and unequivocal support.

Sincerely,
