Re: Support of Casino Legislation

Dear Legislator,

First and foremost, thank you for your work on behalf of Indiana. Many of our members work or live in West Central Indiana and are invested in its future. We follow the work of the Indiana General Assembly and understand that tough decisions must be made during every session.

Bricklayers Local 4 Indiana/Kentucky would like to express our strong support for legislation which advances the development of a casino in Vigo County. This is a unique opportunity to provide jobs, economic development and tax revenues to the region and the state.

We encourage the Indiana General Assembly and Governor Eric Holcomb to consider proposals for a casino with the knowledge that it has our support.

Sincerely,

Steve Hunter
