Dear Legislator,

Thank you for your work on behalf of the state of Indiana. As a citizen in West Central Indiana, I appreciate the work of the Indiana General Assembly and the tough decisions you have to make every session.

As the Chief of Police for the City of Terre Haute, I want to convey my strong support for legislation which advances the development of a casino in Vigo County. I truly believe that such an investment would create the opportunity for our community to invest in improved infrastructure and quality of life projects that would not be possible otherwise. I foresee great benefits to our local businesses from the increase in visitors and would work closely with other area law enforcement to ensure a safe environment for visitors and residents of our community.

I encourage the Indiana General Assembly and Governor Eric Holcomb to consider proposals with the knowledge that it has my strong and unequivocal support.

Sincerely,
